

FIGHTING DISAPPOINTMENT

When was the last time you asked the question; Why me God?

We get disappointed with God when we ask a type of these questions:

1. _____?

2. _____?

3. _____?

Some of the characters in the Bible that have asked at least one of these questions may be:

_____ is one of the people that probably asked a variant of question 2. If he didn't he had all the right to.

- Sold into slavery
- Imprisoned falsely
- Forgotten twice by those he helped
- Wrote off as dead by family.

Ultimately our faith will grow through times of disappointment if we allow it, more than if we didn't ask those questions.
