

# Fighting Disappointment

- We will get disappointed when we ask one of the following questions:
  - Is God unjust/unfair?
  - Is God silent?
  - Is God Hidden?

# Disappointment

- Tonight we will look at Job as one of those people who probably asked a variation of, is God unfair?

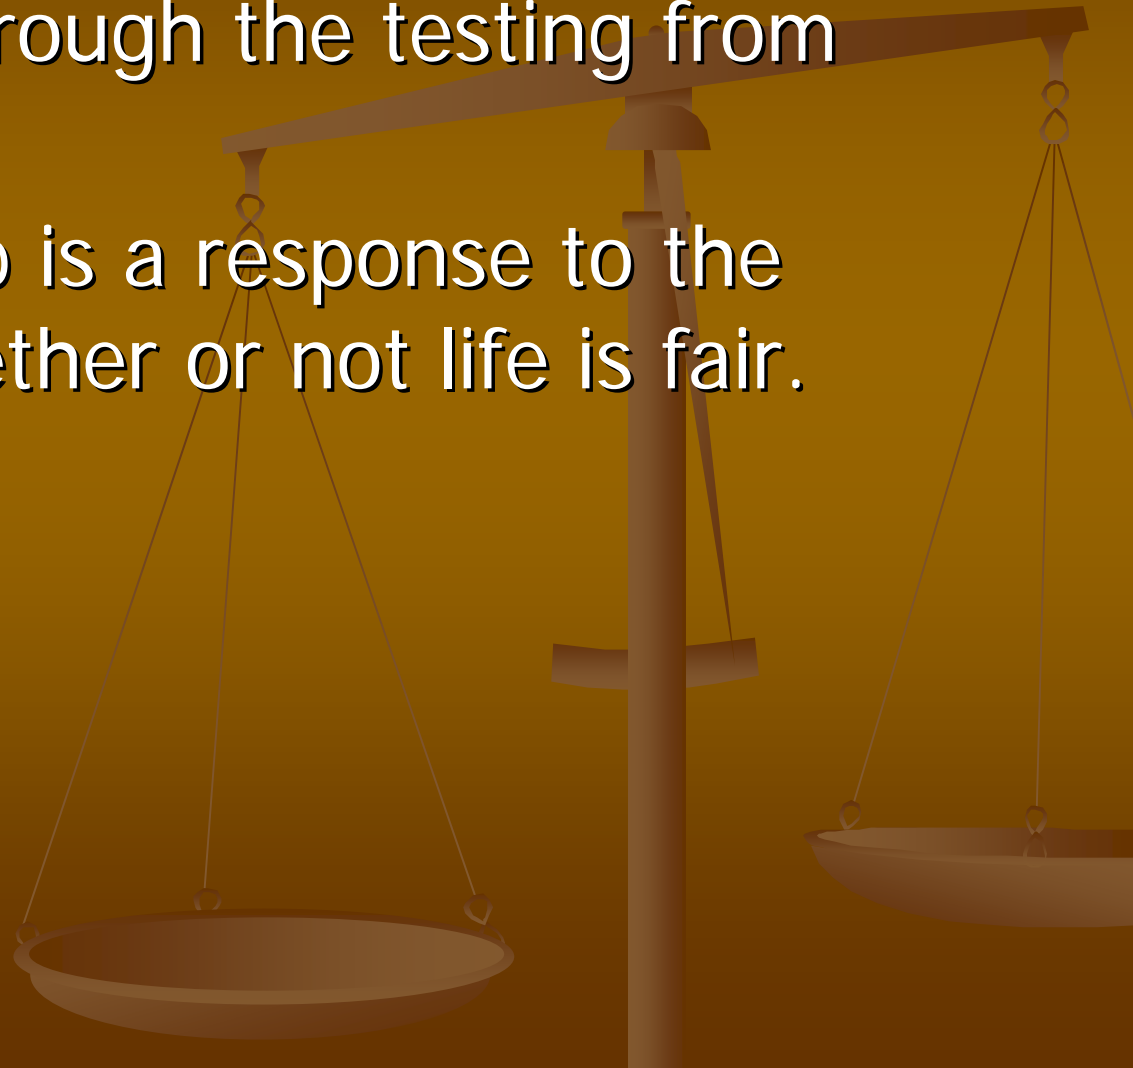

# Background of Job

- Had 500 Oxen
- 7,000 sheep
- 10 kids
- 3,000 camels
- 500 donkeys

# Job

- Job loses all, through the testing from Satan.
- The book of Job is a response to the question of whether or not life is fair.

# Answers to is Life Unfair

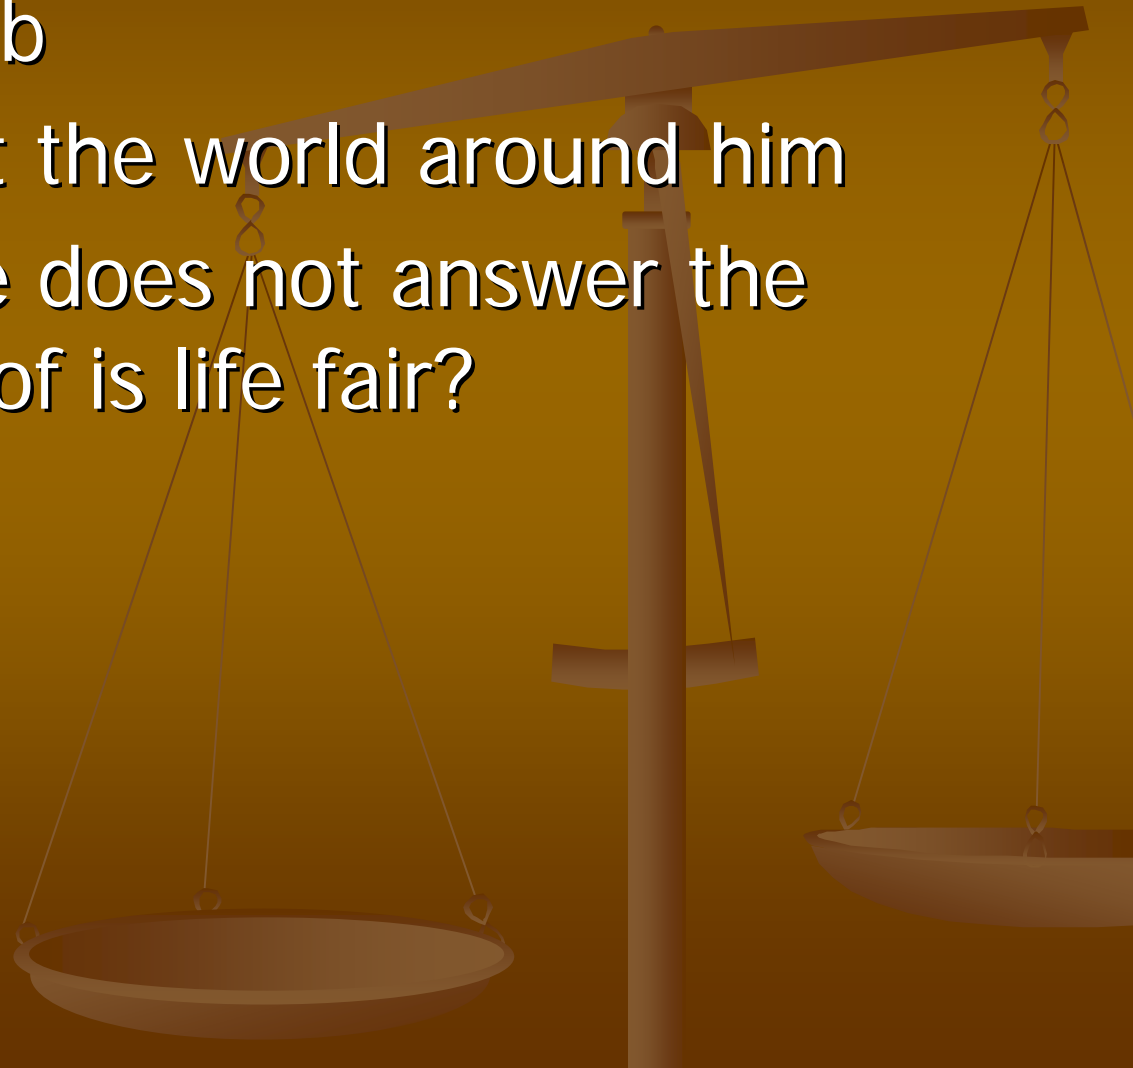

- God does not Exist
- Life is unfair but God is not able to do anything about it
- Get reincarnated 6,800,000 and then life is fair.
- The world is Fair.
- Life is Unfair!!!!

~~GOD~~

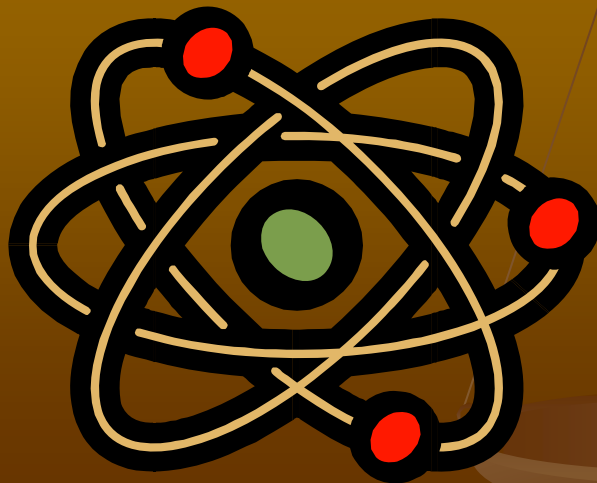

# God's Answer

- He questions Job
- Has Job look at the world around him
- Yet in all this he does not answer the direct question of is life fair?

# Why God does not answer the question

- Would not help us anyways
- We are not capable of comprehending the answer
  - Try to explain colors to a person born blind
  - Explain the theory of relativity to someone who does not know what atoms are

# Principles to Know

- God is fair, the world isn't.
  - God is able to change things but chooses not to.
  - We do not understand all of what God does and allows.
  - God is God and we are not.
  - We answer to Him, He doesn't answer to us.
