The problem with most Americans and Christians are that we tend to be more like _____ and not enough of _____.

Read Luke 17 and answer this questions:

How did you think Christ felt when only one person came back to thank Him?

What excuses can you think of for the other 9 lepers who did not return to thank Christ

Compare that story to today's culture:

How often to we give thanks for what we have?

What excuses do we give for not thanking Christ for what he has done?

What was the last thing you thank Christ for?

What is something that Christ needs to receive a word of thanks from you but you are like the 9 lepers?
