- The problem with most of us today in America and also in the church is that we tend to be more like Peppermint Patti and not enough like Marci

Charlie Brown, Lepers and You

- Luke 17
- How would you have reacted concerning the 9 lepers who did not return to say thanks if you were Christ?
- If you were the lepers what excuses would you have given?

Charlie Brown, Lepers and You

- The problem is that we are far too often like the nine lepers who don't return to Christ instead of the one leper.

Questions to Ponder

- What has God done this past year that you are thankful for?
- What has happened just today that God should be thanked?
- What do you have that others don't?
- Is there anything you have that you don't need?
- What could you go without this coming year?
