Now that I have Christ....(state how He is helping you from day to day, maybe even in direct contrast to the problem as stated above.)

Worship=**Honor**

Fellowship=**Connect**

Discipleship=**Grow**

Ministry=**Discover**

Evangelism=**Reach**

Our mission is stated in **2 Corinthians 5. 16-21** and how we are to be reconciled to God and reconcile others to God.

We are **new creations**.

We are **ambassadors of Christ**.

We are no longer **held guilty of sins**

We no longer **see people as the world sees them**.

We have been given the ministry of **reconciliation**.

Now how this looks in real life.

Reveal that you're a Christian

Extend an invitation to Sunday school, CREW, or Sunday Service

Ask if it's okay to share your story.

Communicate why/how you become a Christian (that would be the pink paper)

Help your friend to know Christ personally

It takes approximately 5 Christians to make a good impact for someone to come to know Christ personally, will you be one of those five.

1 Corinthians 3.5-9

*"Who do you think Paul is, anyway? Or Apollos, for that matter? Servants, both of us—servants who waited on you as you gradually learned to entrust your lives to our mutual Master. We each carried out our servant assignment. I planted the seed, Apollos watered the plants, but **God** made you grow. It's not the one who plants or the one who waters who is at the center of this process but God, who makes things grow. Planting and watering are menial servant jobs at minimum wages. What makes them worth doing is the God we are serving. You happen to be God's field in which we are working.*
