Announcements

Saturday Evening there is the Band Bash here at the Church. Please pass out these flyers to everyone in your school, neighborhood and so forth. Cost is \$5 and a canned good. Pizza and some drinks will be provided and of course there will be 3 bands here. Fun begins around 8pm. I still need people to host the 12 guys that are staying with us. If your parents will allow that please have them contact me.

Paintball outing-Reminder that I need the money tonight. This is for all the guys of hte CREW and will be \$15. We will be meeting here at the church at 11am on October 16th. If I don't have 8 more people give me money we will not be going. See me after church.

Girls Only Outing-there is actually an event just for you ladies. It will be a camping outing possibly on the 16th as well. You will leave sometime on Saturday night and return on Sunday morning before church is over. Your leaders will be Dale Braun, Jenee' Krall, and probably Andrea Moorehead. If that date doesn't work with the leaders you will have it before the retreat.

Youth Choir- Meets every Sunday at 5:15pm in the choir room, if interested please show up and join us for a time of learning music to lead our church in worship.

Small Groups-This Sunday again we will be having small groups. Hope to see you there There will be three groups: 7-8 graders, 9-10 graders, and 11-12 graders. Each group will go through a Bible study. This is a time for those of you who really want to grow. This is NOT a time for goofing off and causing problems. If you do not want to be here then don't come. If you become a distraction you may be asked to leave the group. This is an intentional time we are setting apart for you guys to grow, so if your not interested don't show and if you parents have any problems with that have them see me.

In two weeks-We will be having someone from Taylor University here to speak to us. There will be food and drinks provided but come see what Christian College can be about and expand your thinking on what options are open for you.

Fall Retreat-November 12-14th we will be at Camp Kirkwood for fall retreat. The theme this year is *Set Apart* and it is shaping up to be a great weekend. Vern Risner from First Baptist Middletown will be our speaker. This is a great weekend of fun and learning so plan now to be a part of the group. Cost this year is only \$40 and a deposit of \$20 will be due on October 31st. More details to come later.

Thoughts about the clip from *What About Bob?*:

Does this illustrate your idea of finding meaning in the Bible? Yes or No

Why do you say that?

Unlike Bob and his thought about the bomb the Bible is not as tough as it may appear. The Bible can be broken down into three parts.

1. _____ - What actually took place
2. _____ -How we and others should behave.
3. _____ -Who God is and things about him.

Tonight we are going to skip the book of Genesis and start of with what I believe is to be a

_____ event in the Old Testament, _____.

In our story expanding Exodus chapters _____ we learn some great truths about God and also some truths about us.

The _____ us and mankind can be summed up in the *Hard Heart Test* as I call it.

How do know if you have a hardened heart.

1. You take _____ out on other people. Exodus 5
2. Only make the situation _____. Plagues of Nile and frogs.
3. Take back stated _____.
4. Start to _____ and _____.
5. _____ what others say. Exodus 8.19
6. Insist that it is _____ way or the _____. Exodus 10.11

Lessons about God:

1. He is in _____ at all times.
2. He does what He _____ He _____ do
3. He has _____ power.
4. God wants everyone to know _____ he is.

Questions to Ponder:

1. Which of these truths about God do you need to realize this week?
2. How much are you like Pharaoh?

In our story expanding Exodus **chapters 4-11** we learn some great truths about God and also some truths about us.

The **truths about** us and mankind can be summed up in the *Hard Heart Test* as I call it.

How do know if you have a hardened heart.

1. You take **things** out on other people. Exodus 5
2. Only make the situation **worse**. Plagues of Nile and frogs.
3. Take back stated **promises**.
4. Start to **bargain** and **negotiate**.

Games

Give each group a package of index cards and have them put the alphabet one letter at a time one side of the card and on the other side put a place or object they see every day.
