List 5 Expectations that you feel are placed on you.

- 1.
- 2.
- 3.
- 4.
- 5.

Why do you think you have these expectations?

Tonight we are going to explore how we can **adjust and see** our **expectations**.

Acts 3.1-10

1. **Routine** ruins our ability to expect **great things**.
2. Our expectations will change when we **try new things**.
3. When we **do** what we have always **done**. We will **get** what we always **got**.
4. An **expectant heart** is a **willing heart**.

Things you can expect **God** to do.

1. Work in **you**. Philippians 1.6
2. Work in **others**. Book of Acts
3. Provide a way to **to fight temptation**. 1 Corinthians 10.13
4. Is always **with us**. Hebrews 13.5

Practical steps to live with an expectant heart.

1. Expect God to work in your life this week.
2. Put on your “God eyes” and look to see what He is doing.
3. Write down where God “showed” up in your life.
4. Thank Him for just being there.
5. Tell others what God has done for you
