I love movies, and because of that I believe that movies can show us what **God** wants us to know.

Tonight we are going to watch some clips from the movie **Monty Python and the Holy Grail** to see what God wants to teach us.

Clip One

- Sometimes the Bible is **hard** to **understand**. However we are **able** to understand it. (2 Timothy 3.14-17.

Clip two

- God has **chosen** you and I to be an **example** to others. (1 Peter 2.9-10)
 - Our **life's** are to be the way others see it.

The question is: **How do we do that?**

1. By watching what we **say**. (Ephesians 4.29)
2. By not **judging** others, in particular non Christians. (Matthew 7.3-5)
3. By **sharing** God's grace with others. (Matthew 28.19-20 and Ephesians 2.8-10)

Which one of these three do you need to work on this week?

Write a little prayer to God asking for help with the one you chose.
